Homework 6 *(due: Mar 24)*
Machine Learning - COSC 4360

Department of Computer Science and Electrical Engineering

Spring 2025

Exercises

*Create a **New Project** for every exercise. Take a screenshot of the source code along with its output and place the **source code** and the **screenshot** in a **zipped folder** named **LastNameFirstName_HW6***

Exercise 1 *(Optional)*
Read the following tutorial on Bayesian Statistics and plot the graphs from p. 12 using your own code.

Note: Submit through **Canvas**
